**The Jesus Story in Luke's Gospel** - between now and Easter in the morning services we will be looking at Luke's gospel. Luke was an educated and cultured man and the first real historian to write about Jesus. Luke was likely to have been a doctor and wrote about 25% of the New Testament in Luke and Acts. Luke himself wasn't an eye witness to Jesus but he was probably a companion to Paul, talked to various people involved with Jesus, read some earlier writings and then wrote quite a full version of the Jesus story.

The gospel of Luke is for **everyone** - why not read it through a couple of times over these next few months by reading a chapter a day?

**Refreshments at Messy Church** – would you be willing to join the team once a month to help serve teas and coffees please? Commitment would ideally be monthly, 2.30 pm to 5.00 pm (though you could leave at 4.00 pm if you wish) to set up and serve

drinks to those who come. This is an important role as it also provides an important, friendly welcome to families. Please contact Sue e: [sue@trinitygsy.org](mailto:sue@trinitygsy.org)

**Messy Church** – on Sunday 17<sup>th</sup> February we need a number of round boxes (eg cheese triangles, chocolates etc) and some long tubes (ie. extra long foil or wrapping paper). They can be brought into church during the week or next Sunday morning - apologies for short notice but it's been a tight turn around between Messy Churches this time! Thank you, Sue

**Book of the Month!** – February's book is *Sensible Shoes* by Sharon Garlough Brown as recommended by Eileen Davis... "What a compelling read! This lovely book explores different spiritual disciplines through the lives of four women who want a deeper walk with God - doesn't everyone?"

Hannah is a church pastor on a sabbatical; Meg is a widow whose only daughter has just moved to London; Mara does her best to survive horrendous relationships and Charissa is a student and a perfectionist and they meet in a 'Sacred Journey Group'.

On meeting these characters, you might instantly identify with one of them but, as the book develops, you will see sides of yourself in all of them.

This is such an informative and encouraging read and one really gets to like these women as one goes through the book - which makes it all the more satisfying to know that this book is just the first in a series of four."

Eileen Davis

*Sensible Shoes* is available at a reduced price. Please take a look at the bookstall!
